**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

We are residents of Tega Cay in the lake community and do NOT want to see our rates increase! How can you justify the increase when we have pink and black dirt circles in our toilets and sinks if they are not cleaned every other day with home chemical agents? Please clean up our water before you even consider increasing the rates and taking more money out of our wallets!

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

See my comments above.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
